## CALL FOR PROPOSALS Multidisciplinary Research Unit IPGMER, Kolkata

The Institute of Postgraduate Medical Education & Research, IPGMER, Kolkata has received funding from Dept. of Health Research, Govt. of India for establishment of a Multidisciplinary Research Unit under the scheme of 'Development of Infrastructure for promotion of Health Research', for 5 years 2016-2021.

Based on the research interests of the faculty at IPGMER, in the first year of the grant, the following instruments have been procured:

1. Flow Cytometer
2. Spectrophotometer
3. Refrigerated centrifuge
4. Fluorescent microscope

Research concept proposals are invited from faculty of IPGMER to undertake projects (1-2 years duration) focussed on addressing the health needs of West Bengal and utilizing the equipment procured by the MRU.

1. A concept proposal of 3-5 pages (maximum 3000 words). This concept proposal should include the background information of the study, objectives of the study, novelty, applicability and expected outcomes, benefits, as also proposed methodology and tentative budget.
2. A CV of the PI should be provided with academic qualifications, publications (in indexed journals), details of present and past financial support from funding agencies.
3. After receiving the concept proposal, it will be evaluated by the MRU Research Advisory cum Monitoring Committee and shortlisted concept proposals will be requested to present their proposal before the committee.

A soft copy of the proposal may be mailed to [mru.ipgmer@gmail.com](mailto:mru.ipgmer@gmail.com) and 2 hard copies submitted to Prof. Mitali Chatterjee, Nodal Officer, MRU, IPGME&R, Kolkata.

**Last date for receiving proposals: 15th September, 2017**
