Sir,

Sub – Selection of Laboratory Technician at the A.R.T. Centre, IPGME&R, Kolkata

As notified earlier, an elimination MCQ based test was held for the candidates appearing for the post of laboratory technician at A.R.T. Centre of IPGME&R on 01.03.2024 at 12:00 noon.

The first eleven candidates (according to the marks obtained) were called for interview on the same day at 2:00 p.m. Based on the interview a panel of six candidates has been formed. As there was a tie in the 5th position, instead of a five member panel (as decided earlier) a six member panel has been formed.

The panel is as follows:

- | | |
|--------------------------------|--------------------------|
| 1). Smt. Madhumita Saha Podder | 1 st position |
| 2). Sri Souvik Bera | 2 nd position |
| 3). Smt. Manisha Chall | 3 rd position |
| 4). Sri Suresh Mondal | 4 th position |
| 5). Sri Arpan Malik | 5 th position |
| 6). Sri Subham Dhara | 6 th position |

Smt. Madhumita Saha Podder who is ranked first (according to merit) will be invited to join in the post of laboratory technician.

Kindly do the needful.

Thanking you,

Yours faithfully,

Shantasil Pain
