

Notice

Commencement of classes for MBBS 2022 admission batch

Dear Students,

This is to notify that the academic session for newly admitted MBBS students (2022 batch) of IPGME&R, Kolkata, will commence on and from Nov 16, 2022, and physical classes will commence from Nov 21, 2022. This gap is required to accommodate the state 2nd round UG admissions.

On Nov 16, 2022 (Wednesday) the institute authority and faculty will address all newly joined students and their guardians through an online session. The exact time of this session, the online platform and link for the online meet will be shared with you before the scheduled date through our institute website. Individual e-mails will not be sent.

On Nov 21, 2022 (Monday) students will report at 10:30 AM to Lecture Theater 6 on the top floor of UCM building to mark the commencement of physical classes. There is no formal dress code, but students are expected to be in decent attire. This session is only for the students and NOT guardians. Every effort will be made to allocate hostel seats to eligible students on the first day itself in the post-lunch session. There will be no other event on the first day. Full-fledged classes will start from Nov 22, 2022, with the faculty of first year departments in charge.

Regarding hostels, students and guardians must understand that since the 2021 first year batch has taken admission and started classes in 2022 itself, only a very limited number of hostel seats are available at present for gentleman and lady students. Availability is expected to improve after a few months when the present first year batch completes their university examinations and is promoted to second year. In view of this guardians are requested to make alternative arrangements for their wards as much as possible.

Announcement regarding modalities and process of allocation of the limited hostel seats will be made shortly through the website notice board. Allocation will be strictly as per norms decided by the Hostel Committee. Individual requests cannot be entertained.

07.11.2022

Prof. Avijit Hazra
Dean of Student Affairs
IPGME&R, Kolkata
