

Notice

Online welcome session for MBBS 2022 admission batch

Dear Students,

Institute of Postgraduate Medical Education & Research (IPGME&R) will welcome all of you budding doctors through an online session on 16.11.2022.

The online platform will be Google meet which can be accessed by anybody with a Gmail account on any digital platform (desktop, laptop, tablet, smartphone, etc.). If you do not have a Gmail account, we request you to create one for convenience.

The links are as follows:

Session 1: 11 AM to 12 Noon on 16.11.2022

<https://meet.google.com/das-vadx-hrs>

Session 2: 12 Noon to 1 PM on 16.11.2022

<https://meet.google.com/uyz-xokn-zrj>

Please follow these guidelines while attending the online session

- You need to attend any one session, not both – each session can accommodate 100 participants. If you cannot log into the first session, do not worry – attend the second.
- You can attend with your parent / guardian but log in through a single device only.
- Log in using your proper name and not through any nicknames, codes, etc. Participants who cannot be properly identified will be removed from the meeting room and blocked.
- Please maintain online meeting etiquette. We will give you the opportunity to ask questions after faculty address is over.
- Hostel superintendents may address you briefly but do not ask questions regarding hostel seat application and allocation – detailed instructions will be posted on college website notice board section shortly.
- You may familiarize yourself with our college and its associated hospitals (SSKM is the largest of them) to some extent by browsing through our website.

We look forward to interacting with our new students.

15.11.2022

Prof. Avijit Hazra
Dean of Student Affairs
IPGME&R, Kolkata
